BRITISH CHEMICAL ENGINEERING, the journal devoted to the techniques of chemical engineering applied to industry, is published monthly by HEYWOOD & CO. LTD., Drury House, Russell Street, London, W.C.2. This journal is available by annual subscription at a price of £1 10s. 0d. sterling for 12 issues post free, £2 overseas ($6 U.S.A. and Canada) or, alternatively, by standing order through U.K. newsagents at 2s. 6d. per copy net.
